**Subject: Annual Audit of Renewable Energy Certificates for 2018**  
**UL 2854 (2010) Standard for Sustainability for Renewable Low-Impact**  
**Electricity Products**

Dear Ashston,

Congratulations! We are pleased to advise you that the renewable energy certificates and bundled renewable low-impact electricity products generated by **Just Energy Corporation** for 2018 are certified to UL 2854 (2010) Standard for Sustainability for Renewable Low-Impact Electricity Products and are licensed to use the ECOLOGO<sup>®</sup>, in accordance with the terms of your Global Services Agreement, Service Terms and the *Guide to Proper Use of the EcoLogo<sup>®</sup>*.

Please do not hesitate to contact us if we can be of further assistance.

Sincerely,

A handwritten signature in black ink that reads "Kelly O'Donnell".
